MAY 2011

What's happening at the SALON.....

Well we're into the 5th month already where has that time gone? With the temperature dropping as we head into winter you will undoubtedly be feeling a bit dry around the edges i.e. hands, lips, and skin, well your hair will be suffering to. We moisturise our skin all the time, well our hair needs moisturising to and that's where I come in. Hair Masks along with a good (professional) Shampoo and of course regular trims we can get your hair through these bleak months. Check out our FREE coupon below!!! Our conditioning treatments start at \$10 and your hair will love you for it.
